Introducing New Leaders & Resources

There are significant new leadership transitions within the NABF family. We are looking forward to meeting these new leaders, sharing vision, ideas and resources, and supporting one another. NABF Ministry areas of focus Scholars Collaboration, Disaster Relief and Creation Care – will also be highlighted, with opportunities to connect more deeply.

OUR MAIN SPEAKER:

Rev. Katie Choy-Wong has served as a trainer for American Baptist Home Mission Societies, as admissions director/instructor at Berkeley School of Theology, and as senior pastor at New Life Christian Fellowship in Castro Valley, CA. Rev. Choy-Wong's passion for churches, missions and social justice is evidenced in her leadership with the Alliance of Asian American Baptist Churches, her extensive work in Intercultural Ministries, and her directorship of the Northern California Food Network. She has recently co-published a book "Building Lasting Bridges: An Updated Handbook For Intercultural Ministries."

This workshop is designed for people, leaders and churches who desire to embark on a journey toward having authentic relationships with others who are culturally different. The workshop will focus on discovering one's own cultural perspectives, learning about others, and building a 'toolbox' for intercultural relationships.

Passionate and approachable, warm and engaging, we are excited to have Rev. Choy-Wong share from her depth experience on the theological importance of supporting diversity, and to reflect on what this biblical imperative might mean for each of us within our contexts.
