

NABF Young Prophetic Voices Initiative

PROGRAM OVERVIEW FOR CHURCHES

What if your young people didn't just attend church — but went out and changed their community because of it?

The NABF Young Prophetic Voices Initiative (YPV) is a transformative, faith-rooted leadership development program for youth ages 13–18. Over six powerful months, your church's young leaders will grow as disciples of Jesus Christ — learning to use their voices to speak boldly, advocate for justice, and serve their communities. This is not a typical youth program. This is a movement.

WHY YPV IS AN INCREDIBLE OPPORTUNITY FOR YOUR CHURCH

Advance Your Church's Mission

- Deepen discipleship by equipping youth to connect faith with real-world action
- Expand your church's presence and impact in your local community
- Develop the next generation of bold, justice-minded church leaders
- Strengthen your youth ministry with proven, Spirit-led curriculum

Invest in Young Leaders

- Youth develop public speaking, advocacy, and storytelling skills
- Participants complete a personal Voice Project — expressing their faith through their gifts
- Youth build lasting relationships with peers from churches across the U.S. and Canada
